

Allocation of Points

Statewide ties will be broken to determine participants for any TGA selected team in the following order: 1) By the better finish in current year's Texas Mid-Amateur Championship; 2) By the better finish in current year's Texas Amateur Championship; 3) Low final round in current year's Texas Amateur Championship.

Points are awarded based on final finishing position in the respective events. All ties, other than for first place, which is determined by a sudden death playoff, will be split. Example: Two (2) players tie for fifth (5th) place in the Texas Mid-Amateur – each receives 525 points. Three (3) players tie for fifth (5th) place in the Texas Mid-Amateur – each receives 500 points.
