

Allocation of Points

Players will earn points according to the breakdown outlined below. During the season, players will be able to view the current year's points list on the Texas Golf Association website. If there is a tie for Regional Player of the Year, Co-Players of the Year will be named.

Points are awarded based on final finishing position in the respective events. All ties, other than for first place which is determined by a sudden death playoff, will be split. Example: Two (2) players tie for fifth (5th) place in the Regional Amateur – each receives 575 points. Three (3) players tie for fifth (5th) place in the Regional Amateur – each receives 550 points.
