

Wait List

North Senior Amateur | Sherrill Park Golf Club | March 31 - April 1, 2025

After allocating spots to exempt players, the balance of the North Senior Amateur field was established by order of entry. Once the exempt entry deadline had passed, spots in the field were allocated to the exempt players and then by order of entry. There are likely to be a number of withdrawals resulting in wait listed players being added to the field, however we cannot speculate on the likelihood of a spot becoming available for a specific player. **The attached Wait List indicates the order in which the wait list priority has been established - please be advised that the Texas Golf Association will re-circulate this list each Wednesday leading up to the North Senior Amateur in an effort to give players a regular update on their status ahead of the championship.**

Wait List Order (As of February 20, 2025)
